Honolulu Board of Water Supply
Attn: Frank Pruden
630 S Beretania St.
Honolulu, HI 96843

Dear Frank,

HBWS operates legacy Dell/Quest storage devices that require hardware support that can no longer be procured from either the Original Equipment Manufacturer or other third parties.

Abtech Technologies, Inc. is the only third-party hardware maintenance company that has the spare parts and W-2 OEM trained engineers that can continue to support the service requirements of these devices.

Kindest Regards,

Dana Collins
President
Abtech Technologies, Inc.
